Program Teachers & Mentors

When you **aim for performance**, you need to **learn from performers** & past academic achievers.

At Scholarminds, you Learn with professional teachers, subject experts and mentors who have covered a journey from **failures to success.**

Mentoring & Faculty Team

comprising Alumni of:

IIM
IIT
XLRI
VJTI

& India's Premier
Institutions

- Classes are conducted by subject experts.
- Each student will have a personal mentor to help him overcome his academic fears if any, and outperform his/her own past records.
- Parents will meet the mentors and teachers occasionally to understand the learning and performance update of their wards.
- External mentors from different industry and institutions will come and interact with students occasionally.
- Doubt clearing & test preparation sessions will be held in classes in sync with the competitive exams like NTSE & Olympiads.
